

# NATIONAL HEALTH MISSION

Government of Meghalaya

DHS/MCH&FW/NHM/COVID-VAC-IEC/2/2021

Dt. 30/05/2022

## PRESS RELEASE

*Our battle against Covid-19 is not yet over!* It is of utmost importance that citizens get their **precaution dose** to ensure that they are protected from future variants of the Covid-19 virus. At present, **precaution dose** is only available at Government health facilities in Meghalaya. Healthcare Workers (HCWs), Frontline Workers (FLWs) and citizens above 60 years of age who have completed 9 months from the 2nd dose can avail the **Precaution Dose**.

Don't wait and don't delay... take your precaution dose as soon as possible.

**Note:** Precaution dose for ages 18-59yrs is not yet available in Meghalaya. In a few weeks' time, residents can avail through select private hospitals/clinics of the state.
