Globally many countries are affected by COVID 19 crisis and this pandemic has hit harder than any other diseases. In this pandemic, dissemination of correct information & creating awareness among the people plays a critical role in reducing stigma & panic in community. Currently, the only evidence-based solution, which is proved to be effective to fight against this amidst is to change our behavior. Hence, the Department of Health & Family Welfare has decided to build the capacity of citizens on COVID 19 precautionary measures & COVID 19 appropriate behaviour by engaging local organizations and NGOs. Through behaviour change, citizens can protect themselves and carry out their livelihood.

To bring the change in citizen's behaviour, individualized training needs to be imparted. In order to train each individual, engagement of local NGOs will play very important role. Therefore, any NGO who has at least 3 years of experience with dealing in grass root level training In any field are invited to support the Department of Health and Family Welfare in rolling out the Individualized training. You can submit the application to Mission Director, National Health Mission, Laitumkhrah or via email to nrhmmegh@gmail.com.. NGOs especially from urban areas are encouraged to apply. Application may contain the following

1. Brief description of the NGO - history, existing resources and experience.
2. Proposed strategy to cover the Intended population on behavior change

Roles & responsibilities of NGOs:

- ✓ To develop detailed & sustained training plan for community.
- ✓ To ensure training of each individual in Behavior Change In the assigned area/localities.
- ✓ To submit the training reports to the department on a regular basis.
- ✓ To document the success stories.
- ✓ To ensure training feedback and share it with department of health.
- ✓ To monitor behaviour change in assigned localities or area.

Financial Implication: Training cost will be borne by NHM Meghalaya as per cost basis.

Due to high volume of application, we regret that we will not able to send the personalized response all NGOs unless selected. Last date to submit the application is 15th September 2020.
